

## *Women's Legacy Award*

HONORING AGGIE WOMEN

**Sandra Parét '80** leads the Global Strategic Accounts Practice at HOK, one of the largest global design, architecture, engineering and planning companies where she also serves on the Board of Directors and Management Board.

Sandra has held leadership positions for the state of Texas including the Military Facilities Commission, the Real Property Commission and the Texas Society of Architects and was awarded the Yellow Rose of Texas for community service.

In 2004, Sandra was named Outstanding Alumni for the College of Architecture, the first female architect to receive that honor. She has served on the Board of the Women Former Students' Network for three years, was a charter member and one of the original 45 women to fund the first WFSN Presidential Endowed Scholarship and served as president in 2011. Sandra has been instrumental to the success and growth of the WFSN focusing on mentoring, providing support for current students and recognizing women former students.
